ITINERARY:

Day 1: TEMPLES, WATERFALLS, REMOTE COMMUNITIES AND KAREN HILL TRIBE CAMPING

You'll be picked up at **8:00am** from the CHIANG MAI GATE HOTEL in Chiang Mai city and our team will transfer you by minivan to The Tuk Tuk Club base in Mae Wang, around 45-60 minutes South West of the city.

On arrival at our base you'll be introduced to your trusty Tuk Tuk and driver (chauffeur option) and get settled in for the adventure ahead.

Our Tuk Tuks are specially modified to not only cope perfectly with the winding mountain roads but also to give extra comfort and views from the back seat. There are Bluetooth speakers for you to play your road trip selections and you can even roll back the roof if you fancy catching some sun!

PLEASE NOTE:

For those on the self-drive option there will be a detailed, in-depth driver training session followed by a test that all drivers must pass before heading out onto the road. For those who've chosen the chauffeur option this is a great experience to learn more about the Tuk Tuks, how they work and, if you'd like, the opportunity to have a quick go yourself!

You'll the start the journey by heading through fantastic winding lanes passing through small farming communities (think classic SE Asia photo ops) and up and visiting stunning remote (and almost never visited) Temples, and at one of them you'll receive a blessing for the adventure ahead.

You'll have a simple but hearty lunch at a great local restaurant and then start to head up into the serious mountains. On the way you'll stop to take the short hike to a forest waterfall and explore a tiny Karen community and then you continue to wind up the hairpin bends to your overnight destination of a remote Karen village where you'll camp and have an incredible authentic 'Hill Tribe' experience.

Once you've arrived at the campsite you'll have the opportunity to explore the local village and meet the 'elders' and learn about their community, culture and way of life.

In the evening you'll learn how to cook jungle style with an open fire and lessons from our Karen hosts before spending the night under the stars – a proper Thailand adventure.

NOTE – the tents are actually very comfortable with mattresses / cushions / pillows / blankets etc and there are 'Western' style toilets and a warm shower available!

- **TUK TUK DRIVING TIME:** +/- 5 HOURS INCLUDING DRIVER TRAINING
- **DISTANCE COVERED:** +/- 70 km

Inclusions:

- Transfer from The Chiang Mai Gate Hotel to our 'base camp' in Mae Wang
- Full Tuk Tuk orientation
- Professional guide and driver (chauffeur option)
- In depth Tuk Tuk driver training (self-drive option)
- Temple blessing, waterfalls, stunning remote villages and some of the best roads in Northern Thailand
- Lunch, Dinner (jungle cooking class included!) and drinking water
- Karen Hill Tribe village experience and overnight camping

Day 2: MOUNTAINS, MORE HILL TRIBE VILLAGES AND A THAI FEAST

After breakfast you'll explore the local area and forest around the village with your guide and members of the local community before getting back into the Tuk Tuks and heading along yet more stunning roads (plenty of stops to take in the views) into the heart of the foothills of Doi Inthanon, Thailand's highest mountain.

This is a fantastic journey through spectacular mountain scenery, along rarely travelled roads, giving you a real insight into Thailand, well away from the tourist trail.

You'll stop for a late lunch at a small roadside restaurant – the real deal in terms of local Thai country fare – and then head on to the small Karen community of Ban Mae Khlang Luang, your overnight base.

Your overnight accommodation in the village is surrounded by mountains and rice terraces and is the perfect setting for the second night of the adventure.

Once you've 'checked in' you'll explore the village, see how the community live and get to sample some of the freshest coffee around in one of the most atmospheric coffee shops we've ever come across!

In the evening it's time for a traditional Thai style BBQ in the rice fields! Great fun and a real Thailand tradition.

- **DISTANCE COVERED:** +/- 30 km

Inclusions:

- Tuk Tuks and all related costs
- Breakfast, Lunch, Dinner and drinking water

Day 3: HIKING, WATERFALLS AND BACK TO CHIANG MAI CITY

After breakfast you'll head out to hike and explore the forests around the village in the foothills of Doi Inthanon.

The hike is 'only' around 5 – 6 km (lead by a local village guide) but takes you through fantastic forests and eventually to a series of stunning waterfalls.

You'll have lunch en route allowing you to enjoy the beautiful surroundings of the forests and waterfalls. (NOTE – if it's raining you'll have lunch at the small village towards the end of the hike!)

After lunch you hike downhill out of the forest and back to the Hill Tribe village where you stayed last night. It's then time to say goodbye to your Tuk Tuk as you transfer back to Chiang Mai city by private minivan, arriving back at The Chiang Mai Gate Hotel at around 4:30pm

NOTE: From time to time the National Parks service may close the hiking route we use. When this happens we re-route and explore a separate valley with stunning rice terraces and a great hike to hidden waterfalls deep in the forest!

ADDITIONAL INFORMATION:

By its very nature this trip is an 'adventure' – when it's hot....it's hot, when It's wet....it's wet and when it's cold....it's cold (and it can get cold in the mountains between November and February with overnight temperatures sometimes dropping to 10C or even a bit less). And as with any trip of this nature there is some inherent risk which must be accepted by all travellers....but without a small amount of risk there is no adventure!

However, all routes and roads have been extensively researched (in Tuk Tuks of course), and our driving team always follow a gentle pace and adapt to the weather and road conditions at any given time.

ARRIVAL INFORMATION:

We will pick you up at **8:00am** at the **CHIANG MAI GATE HOTEL** in Chiang Mai City. If you're not staying there the night before your tour starts please make your own way to the hotel which is just outside the South side of the old city walls. The address is: **Chiang Mai Gate Hotel, 10/11 Suriyawong Road, Haiya, Chiang Mai, 50100**. Telephone number: +66(0) 53 203 895 9

It's easy to find and very well- known so any hotel you are staying at will be able to help you get a taxi there.

Can I book my own Tuk Tuk?

- This experience is perfect for solo travellers, couples or groups of friends (or even adventurous families). If you're travelling on your own you'll be teamed up with a fellow solo traveller to enjoy your time travelling in these wonderful vehicles

- For those booking the chauffeur driven option each Tuk Tuk can take a maximum of 2 adults, for those booking the self-drive option each Tuk Tuk can take a maximum of 3 adults.
- Private 3 day adventures can also be booked – please get in touch with us at bookings@thetuktukclub.com to get the wheels turning.

NOTES ON THE SELF-DRIVE OPTION

- All travellers who wish to drive a Tuk Tuk **MUST** have a driving license from their own country and an International Driving Permit (**IDP**). All our Tuk Tuks now have **AUTOMATIC** gears making them much simpler to drive and it much easier to enjoy the scenery from behind the 'wheel'.
- No previous Tuk Tuk driving experience is necessary as you will be trained on Day 1
- At the end of training session all drivers must pass a test. If the guide / training team believe you have not passed the test then unfortunately you will not be able to drive on the roads. The decision of the training team is final.

Group size

- The minimum group size for this adventure is 2 people, the maximum is 10

The Tuk Tuks

- All the Tuk Tuks are original, classic 'Bangkok style' Tuk Tuks but specially built and designed for the trips we run. This means more legroom and head room, BluTooth speakers and a roll back roof should you be looking for a bit more sun!

Accommodation

The accommodation on this trip is intentionally adventurous to really allow you to experience the Hill Tribe communities and their way of life. **Night 1** is in tents but don't worry, they are very comfortable with mattresses, warm blankets, pillows etc and there are also 'Western' style toilets and a warm shower!

Night 2 is in a simple rural lodge in a small village. Wooden cabins with twin / double beds, en-suite bathroom and wi-fi all with fantastic terraces overlooking the rice fields and forest. Whilst 'simple' the cabins are clean and comfortable and the warmth of the community and the amazing location more than makes up for the lack of any 'mod-cons'.

What do I need to bring? How much will I spend?

The most important thing to pack is a sense of **adventure** and a sense of **humour**!

Travel Insurance - IMPORTANT

Travel insurance is **compulsory** for all of our trips but is not included and it is your responsibility to ensure that you have appropriate cover for all aspects of your trip

Clothing:

- Obviously this is up to you but we recommend trainers (or similar) for walking / exploring and flip flops / sandals for travelling and the evenings. and comfortable shorts / t-shirts / long sleeved t-shirt (that you don't mind getting dirty and grimy!)
- NOTE – the mountains can be quite chilly in the winter (November through February) and warm clothes for the evening (jeans / jumper / jacket) are highly recommended!
- The hike doesn't require walking boots although its paths can be muddy and slippery in the rainy season (approximately July through to late October)
- Hat / sunglasses / sunscreen

Spending money

- All meals and drinking water are included throughout the trip as are all activities – you'll be given a re-useable Tuk Tuk Club drinking bottle (to take away at the end of the trip) and we transport plenty of water to re-fill your bottle with
- All you need to budget for are any soft drinks, snacks and alcoholic drinks you might want. Around £25 (1,000THB) should be more than enough even for the thirstiest adventurer!

Luggage

- Both regular suitcases and soft travel bags are fine for the adventure but we do ask that you don't bring the kitchen sink with you. If you stick to the standard flight allowance of 20-23kg that's fine, but if you're bringing more luggage with you then there is space to sort extra bags in either our small office or the hotel where you're staying on nights 1, 2 and 10.
- A day bag / small backpack is very useful for the bits and pieces you might need during the day and there's plenty of room for this in your Tuk Tuk
